GMO INTERNET GROUP SERVICE GUIDE

* The "Accounting standards related to revenue recognition" is effective for FYE 12/2022. The effect of this change is also stated.

Since the GMO Internet Group began its Internet-related business in December 1995, we have striven to offer enriching and easy to use Internet-related services under the motto "Internet for Everyone," creating new values. In addition to our Internet Infrastructure, Online Advertisement and Media, and Internet Finance businesses, we also have a Cryptoassets business. We have grown into a comprehensive Internet group made up of 110 group companies centered around 10 listed companies.
